# THE GALENA NEWS

## International Exhibit

*Local artist, Brian Rance, contracts for KJV 400 year anniversary*

Local visitors to the Galena town square often wonder about the unusual front window on 4<sup>th</sup> and Main. Brian Rance, an artist from the U.K. has lived and worked from this location for many years, creating larger than life props for many shows in Branson. Recently, Brian was awarded a contract with the multi-national corporation, Hobby Lobby.

President Steve Green is a devout Christian and is using part of his fortune to amass a Bible museum. The first part of that effort is an international exhibit celebrating the 400<sup>th</sup> anniversary of the translation of the Bible into

English known as the King James Version.

Brian Rance was tasked to recreate a cave-like environment to simulate what it could have been like to copy manuscripts by hand. This premiere interactive exhibit will be in Oklahoma City starting May 16 through Oct 16. More info is available at [explorepassages.com](http://explorepassages.com) online.

## New Community Center

*Dave Oberdiek plans new community center in his wife's memory*

During the community sunrise Easter service last month, Dave Oberdiek announced that he would dedicate a storage facility on his land to become the new community center, doubling the size of the current location.

The Oberdiek home was completely destroyed in a fire in early March. Tax deductible donations for this project can be made at the Community Center 103 N. Main Street or call 357-0097 for more information.

### Mayor's Corner

Thank you for all the help preparing for the flood that thankfully did not materialize in a significant way for Galena. But the way everyone pulled together shows once again how we do care for one another and help in this great little town.

As we look to the future, please, try to come to the final presentation of the Visioning Team by Drury graduate students. They will present their long term vision for Galena on **Monday evening, May 9<sup>th</sup> 7:00 pm at the library.**

Finally, I'm grateful to have the opportunity to continue to serve as mayor and am thankful for your votes. I look forward to serving you and working with Mary Visneki, our wonderful staff in City Hall and the City Council for the next two years.

### PASTORS' ENCOURAGEMENT - MONTHLY FROM ONE OF OUR LOCAL PASTORS

*"Peace I leave with you; my peace I give to you. Not as the world gives do I give to you. Let not your hearts be troubled, neither let them be afraid."*  
*John 14:27*

In a fast changing world, it's easy to become confused or fearful. Floods, tornados, wars, high prices for gas and essentials can raise our blood pressure and give us ulcers. But Jesus wants to give us peace. He warned us hard

times would come in the last days. We need to be faithful and trust Him. His love will remove our fear if we look to Him and obey His commands. He will give us the peace that only God can give.

The house of God, the church, is a place of safety. There is peace in God's presence. God's word, the Bible, will guide us in troubled times. Lead us, Jesus. Grant us your peace.
